Silver service, china, wine & champagne glassware, tables, chairs, linens and centerpieces are all included in the rental fee.

Catering Service:

We serve only buffet style menus and we are able to prepare anything that is feasible to serve in that manner. We have several popular menu selections for your review, however, we wish to work with you to individualize our catering ideas to create a menu to suit your reception needs. There is a 100 person minimum catering charge for most events.

Desserts:

We will provide a beautiful and delicious wedding cake or a tort selection for \$4.25 per person. You are welcome to provide your own wedding cake provided it is professionally made. We will take care of cutting and serving all wedding cakes and desserts at no additional charge.

Liquor:

If you wish to serve liquor during your event, you may do so as long as you provide all of the liquor, mix, beer, wine, garnishes, and soft drinks. We do not allow keg beer, and no liquor may be sold. A simple \$90 per hour bar service fee includes set up, professional bartending staff, barware, ice & napkins.

Deposit:

In order to secure a date for your reception at Summit Manor we require a \$1000 deposit and a written contract. We will need a written request for cancellation and deposits are not refundable or transferable.

Music:

We have an internal music system and do provide background music for your event. If you wish to have a dance or provide live background music for your guests it must be limited to a three piece group –no highly amplified groups are permitted. D.J.'s are allowed, however we do not allow any lights, light shows or fog machines. If you need help in selecting the proper group for your reception, we will be happy to make recommendations. Bands and D.J.'s must be approved by Summit Manor prior to making arrangements.
